1. Stamp Triangle Treat Template onto scrap white cardstock using black or light blue ink. Cut on solid lines and score on dotted lines.
2. Fold inward on all score lines. Punch 1/8" holes on four dots where indicated.
3. Following basic instructions from steps #4-9 of "Snowman" project, thread ribbon and fill/close box.
4. Stamp face/head, arm, and Bible/hymnal images onto scrap white cardstock using black ink. Color with pencils and blend with Gamsol. Cut out images, and adhere to box as shown.
5. Stamp wing image twice onto scrap white cardstock using light blue ink. Color edges with pencils and blend with Gamsol, if desired. Cut out wings, and adhere to back of box so that wings are positioned as shown.
