1. Layer 4" x 5 1/4" Fall Hexagon Flower cardstock onto 4 1/4" x 5 1/2" Petunia cardstock to form card base.
2. Attach 1 1/4" x 5 1/2" Petunia cardstock to the center of card base.
3. Adhere 1" x 5 1/2" Fall Hexagon Flower cardstock onto Petunia cardstock strip *on the ends only*.
4. Score 1" x 3" white cardstock at 1" and 2 1/4", and fold to form slider mechanism.
5. Insert the slider mechanism underneath the 1" x 5 1/2" Fall Hexagon Flower strip, and tape it closed. Test slider to make sure it moves freely side to side.
6. Stamp *Birthday Bonnie* onto 1 3/4" x 3 3/4" white cardstock, and doodle frame along edges with fine-tipped black pen. Color image with pencils and blend with Gamsol.
7. Layer image onto 2 1/2" x 4 1/8" Petunia cardstock.
8. Flip over layered image piece, and attach 1/4" x 2" foam tape on the top and bottom edges. Leave the tape liners on the visible side, which will help the piece slide evenly.
9. Place red-lined tape on top of the sliding mechanism, being careful not to extend past edges. Press layered image panel onto red-lined tape, lining it up with top and bottom of your card.
10. Cut out two pink and two brown hexagons from scrap piece of Fall Hexagon Flower cardstock.
11. Attach pink hexagons as shown using glue dots.
12. Attach brown hexagons as shown using foam tape.
13. Stamp parts of *Act Your Size* onto white cardstock as follows: "Another year older?" on 1/2" x 2" piece, "Just remember..." on 1/2" x 1 3/4" piece, and "Act your shoe size, not your age!" on 3/4" x 1 7/8" piece.
14. Layer saying pieces onto 5/8" x 2 1/8", 5/8" x 2", and 7/8" x 2 1/8", respectively.
15. Adhere layered saying pieces as shown. (Note: This is a flat panel card, so you can sign your name beneath the "Act your shoe size" part. Alternatively, place card onto 5 1/2" x 8 1/2" white cardstock that has been folded in half, and sign card on the inside.)
