

### Freezin' Season Lift-Up Flaps Card

**Stamps & Die:**

11388LC Winter Song Clear Set  
IAD-013 Square Lift-Up Flaps Die

**Cardstock:**

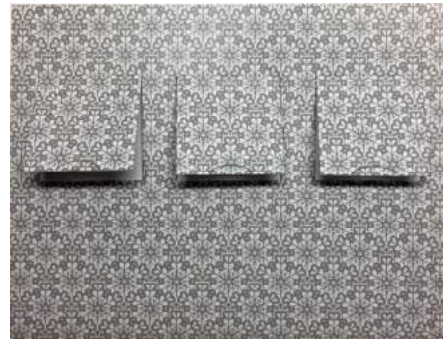

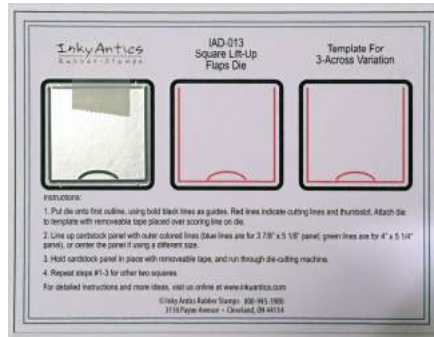

White  
7-725 Jetstream  
*From Darcie's*  
PAC1766 Stacked Snow Gray

**Other Supplies:**

Black Dye Ink Pad  
Colored Pencils  
Gamsol Odorless Mineral Spirits & Blending Stumps

Scor-Tape  
White Seam Binding  
Glue Dot

1. Fold 5 1/2" x 8 1/2" white cardstock in half to form card base, and layer 4 1/4" x 5 1/2" Jetstream cardstock onto base.
2. Using "Template For 3-Across Variation," follow instructions on template to die cut the smallest square three times onto 4" x 5 1/4" Stacked Snow Gray cardstock.

3. Center 3 7/8" x 5 1/8" white cardstock behind the Stacked Snow Gray panel, and trace the window openings lightly with a pencil.

4. Remove the Stacked Snow Gray panel and stamp "There's snow friend" phrase, snowman images (masking as desired), and "quite like you" phrase within the pencil-marked window areas on the white panel as shown.
5. Color images with pencils and blend with Gamsol.

6. Place Scor-Tape around the pencil-marked windows only, and then erase pencil marks. Adhere the Stacked Snow Gray panel onto the stamped white panel.

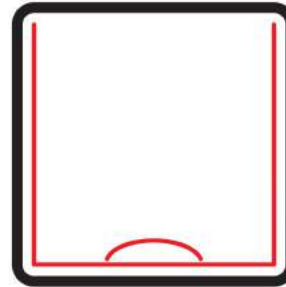

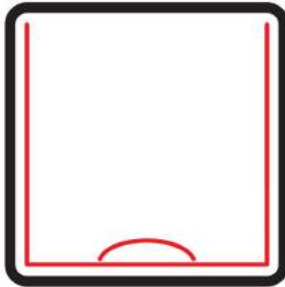

7. Wrap 15" piece of seam binding around layered Stacked Snow Gray panel and tie into bow as shown. Trim ends as needed.
8. Place Scor-Tape along outer edges of layered Stacked Snow panel on reverse side, and adhere to card base.
9. Stamp each mitten image twice onto scrap white cardstock. Color with pencils and blend with Gamsol.
10. Fussy cut mitten images, and adhere to outer two flaps and underneath seam binding bow as shown. Secure bow to mittens using glue dot.
11. Stamp "Happy freezin' season" sentiment onto center flap.

Flaps Die

Template For  
3-Across Variation

Instructions:

1. Put die onto first outline, using bold black lines as guides. Red lines indicate cutting lines and thumbslot. Attach die to template with removeable tape placed over scoring line on die.
2. Line up cardstock panel with outer colored lines (green lines are for 4" x 5 1/4" panel), or center the panel if using a different size.
3. Hold cardstock panel in place with removeable tape, and run through die-cutting machine.
4. Repeat steps #1-3 for the other two squares.
