Inky Antics now has an expanded selection of clear stamp sets! Shown on pages 1-11 in this flyer, they're perfect for cardmaking, scrapbooking, and unique gift projects.

Clear stamps are fun and easy to use. They cling to any acrylic block, so each image or saying can be positioned exactly where you want it every time. When you're done, use a water-based stamp cleaner and then replace the stamp on its carrier sheet for convenient storage.

Acrylic blocks sold separately. Please contact us for details and pricing information.

The word circles are separate from the images in both of these clear sets, so you can mix and match each "frame" with the various images to create numerous designs!

Use the saying tags for the inside of the card, or stamp them in the center of the word circles instead of an image for a completely different look.

No matter how you arrange the elements, you'll have fun making your own unique combinations.

Jelly Bean Prayer

Red is for the blood He gave,
Green is for the grass He made.
Yellow is for the sun so bright,
Orange is for the edge of night.
Blue is for the sins we made,
White is for the grace He gave.
Purple is for His hour of sorrow,
Pink is for our new tomorrow!

So colorful and sweet,
