BaZooples #3 Clear Set

Meet the BaZooples!

Zach the Zebra...

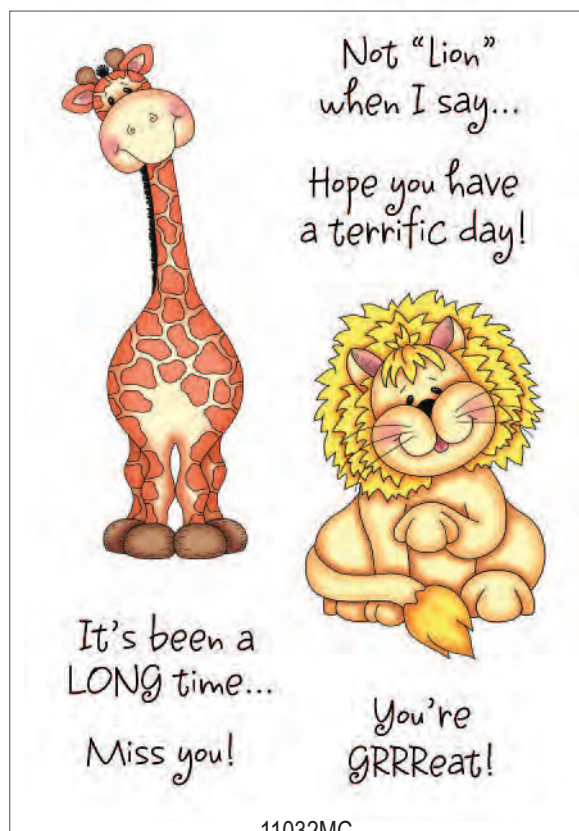

It's hard to get Zach out of bed no matter how you try. He loves to lay out in the sun and watch the clouds float by.

Elsie the Elephant...

Elsie loves to splash in puddles and hide for peek-a-boo. She's shy and gives big snuggly hugs; she's brave and smart like you.

Humphrey the Hippo...

Humphrey always takes his time to get from there to home. He likes taking bubble baths and eating ice cream cones.

11032MC
BaZooples #1 Clear Set

Gertude the Giraffe...

Gertrude watches over you and all her BaZoopple friends. She loves to run and stretch her neck and read bedtime stories to them.

Lester the Lion...

Lester's quite the stinker as all lion cubs can be. He's rambunctious when he plays and loves to climb the trees.

Wilbur the Walrus...

Wilbur likes to whistle when he can't think what to say. Puppet shows and Tic-Tac-Toe are his favorite things to play.

Ollie the Ostrich...

Ollie's quite the chatterbox and likes to take long walks. He's the truest friend you'll find and will listen when you talk.

Clarence the Camel...

Clarence has the kindest heart when you're feeling sad. He'll play with you and make you smile 'til things seem not so bad.

Triangle Treats

Clear Stamp Sets &
Wood Mounted Stamps

Step 1:

Stamp 10215V Triangle Treat Template, cut out, and score on dotted lines.

Designed to be used with our 10215V Triangle Treat Template wood mounted stamp, these clear sets let you turn Triangle Treat Boxes into cute characters! Wrap them in cello bags and tie with a matching gift tag, or stamp the sentiments on the back of the treat boxes for an instant present!

Links to complete instructions and additional step-by-step photos are available on our website. For more information, please visit us at www.inkyantics.com/triangletreat.htm

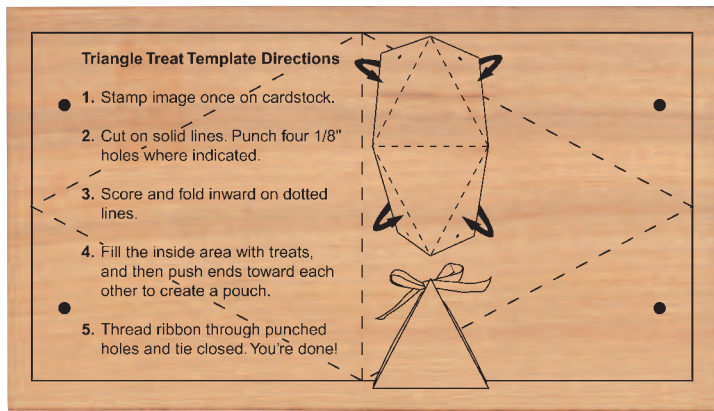

Step 2:

Stamp character elements from clear set and cut out pieces if needed.

Step 3:

Assemble Triangle Treat Box, attach pieces, and finish decorating as desired.

Step 1:

Stamp image on Honeycomb Pad (sold separately), making sure both arrows run in the same direction.

Step 2:

Cut out honeycomb piece with detail scissors.

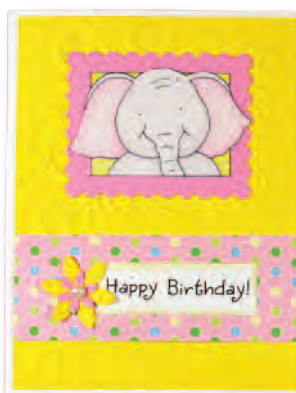

Step 3:

Score middle of card twice with $\frac{1}{8}$ " gap between score marks (in other words, score at $4 \frac{3}{16}$ " and $4 \frac{5}{16}$ ").
Glue honeycomb piece into folded spine of card.
