They're back and better than ever! Inky Antics is delighted to re-introduce our clear stamp sets. Choose from a wider variety of original artwork and decorative elements. Shown on pages 1-13 in this flyer, they're perfect for cardmaking, scrapbooking, and unique gift projects.

Clear stamps are fun and easy to use. They cling to any acrylic block, so each image or saying can be positioned exactly where you want it every time. When you're done, use a water-based stamp cleaner and then replace the stamp on its carrier sheet for convenient storage.

Acrylic blocks sold separately. Please contact us for details and pricing information.

The best gifts don't have to be expensive to buy or hard to make...not when you've got Gifts In A Snap! They're the perfect "little something" for all those kind souls you want to remember this holiday season: neighbors, mail & newspaper carriers, coworkers, the hairdresser, your kid's coach or homeroom teacher, and many others.

Our X2-2940 Square Box Template and 10189X Tall Bag Template wood mounted stamps (available separately) are a great complement to the Gifts In A Snap clear sets. And with the clear, easy-to-follow instructions printed right on the wood mount, you'll always have the directions right at your creative fingertips.

Snowman Spread Clear Set

To celebrate the season, whip up a batch of Reindeer Crunch and place it into your gift packaging. Add a handstamped tag, and you're done!

Or assemble the dry mixes for Merry Mochaccino and Snowman Spread. All you need are a few everyday ingredients, which are listed with the clear stamp sets.

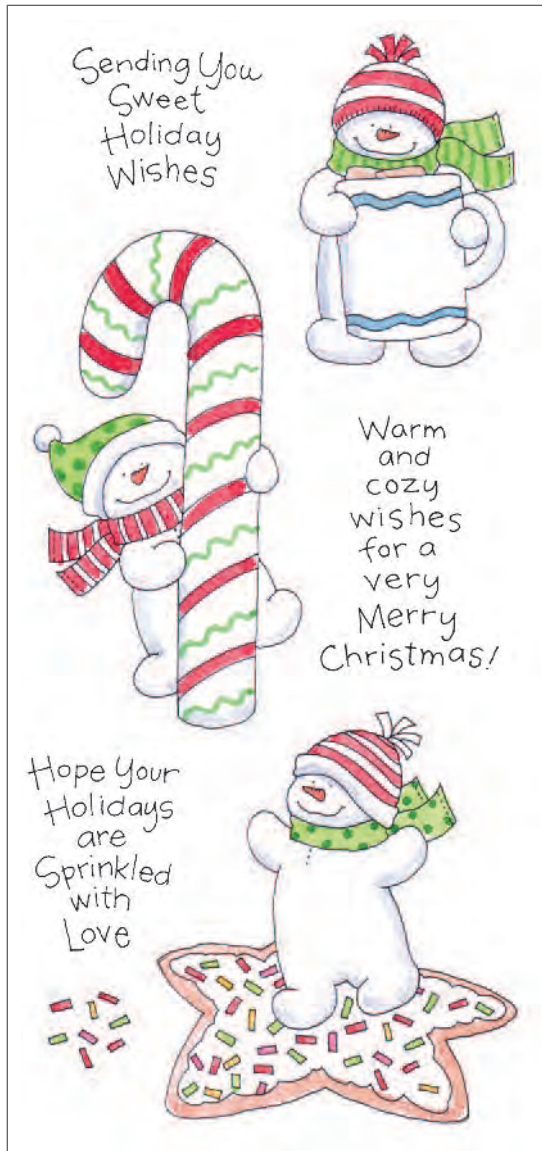

These kitchen-tested recipes don't require cooking! Reindeer Crunch is ready to enjoy, and Snowman Spread is a dry mix that's stirred into cream cheese to make a yummy dip for fruit or cookies. Merry Mochaccino requires only hot water. Just stamp the directions for your recipient on the back of the tag, and they're in for a delicious treat!
