2010

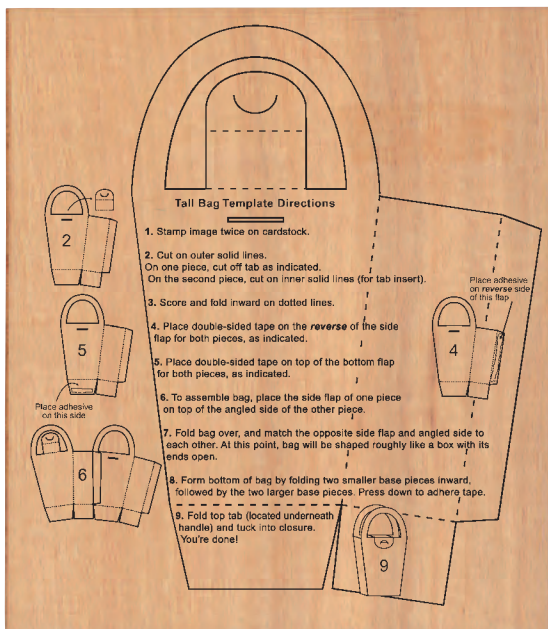

Inky Antics has an expanded selection of clear stamp sets! Shown on pages 1-7 and 14-15 in this flyer, they're perfect for cardmaking, scrapbooking, and unique gift projects.

Clear stamps are fun and easy to use. They cling to any acrylic block, so each image or saying can be positioned exactly where you want it every time. When you're done, use a water-based stamp cleaner and then replace the stamp on its carrier sheet for convenient storage.

Images in this flyer are shown in color for illustrative purposes. Our products are backed by a 100% satisfaction guarantee.

Very special thanks to our talented designers Debbie Fisher and Michelle Pearson, who created the sample cards and projects shown in this publication.
