1. Stamp Triangle Treat Template onto scrap white cardstock. Cut on solid lines and score on dotted lines.
2. Turn over triangle treat box to plain side, and stamp snowman's face onto upper triangle. Color with pencils and blend with Gamsol.
3. To assemble box, turn triangle treat box back to template-stamped side and fold inward on all score lines. Punch 1/8" holes on four dots where indicated.
4. Thread a piece of ribbon through the four punched holes: Starting with the end that has the snowman's face stamped on the reverse side, insert ribbon through the hole from the right outside part of the box as shown in Photo A.
5. Draw ribbon across the long way to the opposite end, and thread it through the second hole from the outside again as shown in Photo B.
6. Pull the ribbon across the short way, and thread through the hole from the inside as shown in Photo C.
7. Return to the opposite end, and thread ribbon through the fourth hole from the inside again as shown in Photo D.
8. Gently pull ends of the ribbon until the box closes halfway. Fill with goodies, such as small candies, coins, or folded currency.
9. Draw the ribbon ends tight, and tie box closed as shown in Photo D.
10. Stamp hat and scarf images onto scrap white cardstock. Color with pencils and blend with Gamsol. Cut out images, and adhere to front of box as shown.
